Dear Valued Business Community Member,

Music, dancing, and the magic of theater are alive and well in the Lakes Region and we would like to invite you to join us for our 7th season. The curtain first rose for One Light Theatre in 2016 and since then we have produced over 35 full-scale productions. Staging a production is very costly and can be daunting for a small non-profit community theatre company.

One Light Theatre is seeking local business partners to support next season's projects. Your tax-deductible donation will provide resources such as microphones, sets, costumes, help finance licensing agreements, and contribute to the rental costs associated with large-scale productions. In our past seasons combined, we were able to reach over 25,000 patrons and community members via performances, community events, email, and publicity.

As a supporter, your business can be included front and center for all our events in 2024. Community and educational theatre provides a space where residents and children can try their hand at being an artist through collaboration with established performers and technicians. With your support, we will be able to produce community productions, educational shows, and youth summer camps during our 2024 season.

Jennifer Schillinger
President, One Light Theatre Company
